

Dear potential HiZhouse Volunteer,

I thank God every day that I am privileged enough to serve Him through children's ministry. There is no great blessing than to be a small part of introducing children to Jesus and helping them learn to follow Him. We are making an eternal impact in the life of each child we minister to. Not only the children, but also their families and generations to come will be impacted because of our ministry. I am so excited that you are considering becoming a part of this important ministry. I'm praying for you, that God will guide you as you consider how you will serve Him.

We want to get to know you better and provide a safe environment for our children, so we ask all potential volunteers to complete an application process. I realize that the application process is involved, so thank you in advance for working with us to provide the best ministry experience for you and the children of First Baptist Church.

Please take a moment to look over all the information included with this packet. You should find the following items:

- * First Baptist Church of St. Petersburg Child Protection Policy**
- * HiZhouse Ministry Application**
- * Volunteer Authorization for the Release of Background Information**
- * What Floats Your Boat**

Please read and/or complete all of the information requested above and return them as soon as possible. Once we receive your information I will contact you to review your information and discuss possible ministry opportunities.

Thank you again for your interest in joining our team!

Grace & Peace,

**Denise Shelton
